

The Theatre Organ Society of Australia (TOSA) NSW

TOSA (NSW) are the proud owners of two Wurlitzer Unit Orchestras formerly installed in the Prince Edward Theatre and in the Capitol Theatre in Sydney.

The two keyboard 11 rank instrument has been entertaining the community for 50 years in Marrickville Town Hall, Marrickville and has been maintained and improved by TOSA over the past 50 years. Musicians both Australian and Overseas regard this instrument as one of the finest examples of a two keyboard Wurlitzer anywhere in the world.

The three keyboard 17 rank Wurlitzer has been entertaining the community for 30 years in the Orion Centre Theatre, Campsie and has been maintained and upgraded by TOSA during that time. This instrument now has the most up to date software relay system from the USA installed making it one of the most modern installations in Sydney.

Professional concerts on both instruments are presented on Sundays from 2:00pm – 4:30pm. There is free parking at both venues as well as good public transport available. Video presentation of the artist at work gives you a close up of each performance along with theatre lighting. Refreshments are available for purchase at interval. Go to www.tosa.net.au for more details.
